Programme Highlights:

The CITAC had been operated in November 2017 with the purposes to explore any suitable innovative techniques and technologies to bring greater productivity, sustainability and safety for construction industry in Hong Kong. Those ideas are welcome both local and international company.

10,000 square feet CITAC's inaugural exhibition centre has five different innovative zones, namely "Industrialisation", "Informatisation", "Intelligentisation", "Integration" and "Infinity". Currently the centre has more than 30 construction innovations on display.
